TRANSPORTATION EXPENSE GUIDELINE

Superintendent's Guideline No. 04/04

March 2004

This Guideline is issued pursuant to section 268.3 of the *Insurance Act* for the purpose of subsections 14 (5), 15 (11) and 24 (3) of the *Statutory Accident Benefits Schedule - Accidents on or After November 1, 1996* (SABS). This Guideline replaces Guideline No. 3/01 effective April 15, 2004.

Purpose

The purpose of the *Transportation Expense Guideline* is to provide a framework for insurers and insured persons to determine the circumstances under which expenses related to transportation of an insured person to and from treatment sessions, counselling sessions, training sessions, assessments and examinations must be paid by an insurer. The Guideline sets out authorized expenses and applicable rates for the purpose of subsections 14 (5), 15 (11) and 24 (3) of the SABS.

In light of amendments made to subsections 14 (6), 15 (12) and 24 (4) of the SABS by O. Reg. 458/03 as filed on December 24, 2003, the amounts payable under the SABS for transportation expenses depend in part on whether the accident occurred before or after April 15, 2004. For this reason, the Guideline is divided into two sections:

- (a) *Accidents occurring before April 15, 2004*; and
- (b) *Accidents occurring on or after April 15, 2004*.

Please ensure that you refer to the appropriate section of this Guideline, based on the date of the accident in question.

(a) *Accidents occurring before April 15, 2004*

Authorized Expenses

The insurer is liable to pay for all reasonable and necessary transportation expenses for each trip that the insured person makes to and from treatment sessions, counselling sessions, training sessions, assessments and examinations. The insurer is also liable to pay for all reasonable and necessary transportation expenses of the insured person's aide or attendant. Transportation expenses are calculated based on the most direct route. Transportation expenses include parking fees incurred.

The mode of transportation selected should be the most economical, practical for the distance to be travelled, and appropriate under the specific circumstances.

Use of Automobiles

The insurer is liable to pay a mileage expense for transportation of the insured person and their aide or attendant, to and from treatment sessions, counselling sessions, training sessions, assessments and examinations using the insured person's automobile, excluding the first 50 kilometres of each round-trip. The 50 kilometre "deductible" is only applicable once in any round-trip. This applies also to minors who are driven to treatment sessions, counselling sessions, training sessions, examinations or assessments.

For the purpose of this Guideline, the "insured person's automobile" includes any automobile owned or leased by the insured person or any other automobile to which the insured person has access.

The rate that is to be used to calculate transportation expenses for the use of the insured person's automobile is 27.5¢ per kilometre travelled.

Use of Taxis

The insurer is liable to pay for reasonable and necessary taxi fare incurred by an insured person and their aide or attendant provided that,

- the insured person does not own or have access to an automobile; or
- the insured person is unable to operate an automobile; or
- it is reasonable and practical in the circumstances to take a taxi.

Other Modes of Transportation

Insurers are liable to pay for reasonable and necessary expenses for other modes of transportation where circumstances warrant. An insured person should discuss the matter with his/her insurer before incurring expenses for air, rail and bus transportation services.

(b) Accidents occurring on or after April 15, 2004

Authorized Expenses

Subject to the 50 kilometre "deductible" referred to below, the insurer is liable to pay for all reasonable and necessary transportation expenses for each trip that the insured person makes to and from treatment sessions, counselling sessions, training sessions, assessments or examinations. The insurer is also liable to pay for all reasonable and necessary transportation expenses of the insured person's aide or attendant. Transportation expenses are calculated based on the most direct route. Transportation expenses include parking fees incurred.

The mode of transportation selected should be the most economical, practical for the distance to be travelled, and appropriate under the specific circumstances.

Use of Automobiles

For the purpose of this Guideline, the "insured person's automobile" includes any automobile owned or leased by the insured person or any other automobile to which the insured person has access.

Subject to the 50 kilometre "deductible" referred to below, the rate that is to be used to calculate transportation expenses for the use of the insured person's automobile is 27.5¢ per kilometre travelled.

Use of Taxis

Subject to the 50 kilometre "deductible" referred to below, the insurer is liable to pay for reasonable and necessary taxi fare incurred by an insured person and their aide or attendant provided that,

- the insured person does not own or have access to an automobile; or
- the insured person is unable to operate an automobile; or
- it is reasonable and practical in the circumstances to take a taxi.

This provision also applies to all transportation expenses of the insured person's aide or attendant.

Other Modes of Transportation

Subject to the 50 kilometre "deductible" referred to below, the insurer is liable to pay for reasonable and necessary expenses for other modes of transportation where circumstances warrant. An insured person should discuss the matter with his/her insurer before incurring expenses for air, rail and bus transportation services.

50 Kilometre "Deductible"

As set out in clauses 14 (6) (b), 15 (12) (b) and 24 (4) (b) of the SABS as amended by O. Reg. 458/03, the insurer is not liable to pay for the first 50 kilometres of transportation (whether or not in the insured person's automobile) to and from treatment sessions, counselling sessions, training sessions, assessments and examinations, unless the insured person sustained a catastrophic impairment as a result of the accident. The 50 kilometre "deductible" is only applicable once in any round-trip. These provisions also apply to minors who are driven to treatment sessions, counselling sessions, training sessions, assessments and examinations, and to transportation expenses of the insured person's aide or attendant.

LIGNE DIRECTRICE DU SURINTENDANT SUR LES FRAIS DE DÉPLACEMENT

Ligne directrice du surintendant No. 04/04

Mars 2004

La présente ligne directrice est émise aux termes de l'article 268.3 de la Loi sur les assurances et des paragraphes 14(5), 15(11) et 24(3) de l'Annexe sur les indemnités d'accident légales - accidents survenus le 1^{er} novembre 1996 ou après ce jour. Elle remplace celle qui porte le numéro 3/01 et elle entrera en vigueur le 15 avril 2004.

Objectif

L'objectif de la Ligne directrice sur les frais de déplacement est de fournir un cadre aux compagnies d'assurance et aux personnes assurées pour déterminer les circonstances aux termes desquelles les frais reliés aux déplacements d'une personne assurée pour les séances de traitement, de thérapie et de réadaptation ainsi que les examens et les évaluations seront remboursés par la compagnie d'assurance. Cette *Ligne directrice* établit des frais autorisés et des taux applicables aux fins des paragraphes 14(5), 15(11) et 24(3) de l'Annexe sur les indemnités d'accidents légales (SABS).

À la lumière des modifications apportées aux paragraphes 14(5), 15(11) et 24(3) de l'Annexe sur les indemnités d'accidents légales (SABS) aux termes du Règlement de l'Ontario 458/03, tel qu'elles ont été déposées le 24 décembre 2003, les montants remboursables en vertu de l'Annexe relativement aux frais de transport dépendent en partie de la date de l'accident, à savoir s'il est survenu le 15 avril 2004 ou après cette date. Pour cette raison, la Ligne directrice est divisée en deux sections :

- (a) *Accidents survenus avant le 15 avril 2004;*
- (b) *Accidents survenus le 15 avril 2004 ou après cette date.*

Assurez-vous de consulter la section appropriée de la présente ligne directrice, selon la date de l'accident en question.

(a) Accidents survenus avant le 15 avril 2004

Dépenses autorisées

La compagnie d'assurance est tenue de rembourser tous les frais raisonnables et nécessaires pour chaque déplacement que l'assuré fait pour se rendre à des séances de traitement, de thérapie et de réadaptation ainsi qu'aux examens et aux évaluations et en revenir. L'assureur est également tenu de rembourser tous les frais raisonnables et nécessaires de l'aidant ou de l'accompagnateur de l'assuré. Les frais de déplacement sont calculés en fonction du trajet le plus direct et ils comprennent les frais de stationnement engagés.

Le mode de transport choisi doit être le plus économique et pratique relativement à la distance à parcourir et être approprié aux circonstances particulières.

Usage de l'automobile

La compagnie d'assurance est tenue de rembourser les frais de kilométrage associés au transport de l'assuré et de son aidant ou accompagnateur pour se rendre à des séances de traitement, de thérapie et de réadaptation ainsi qu'aux examens et aux évaluations et en revenir, à bord de son véhicule personnel, sauf pour les 50 premiers kilomètres de chaque aller-retour. La «franchise» de 50 kilomètres ne s'applique qu'une par aller-retour. Cette disposition s'applique également aux personnes mineures qui sont conduites à des séances de traitement, de thérapie et de réadaptation ainsi qu'à des examens et à des évaluations.

Aux fins de la présente ligne directrice, le terme « véhicule de la personne assurée » s'entend de tout véhicule qui est la propriété de l'assuré ou qui est loué par ce dernier ou de tout autre véhicule auquel l'assuré a accès.

Le taux à employer dans le calcul des frais de déplacement dans le cas où le véhicule de la personne assurée sert au transport est de 0,275 \$ par kilomètre parcouru.

Déplacement en taxi

La compagnie d'assurance est tenue de rembourser les frais de déplacement en taxi engagés par un assuré et son aidant ou accompagnateur à condition :

- que la personne blessée ne possède pas de voiture ou n'y ait pas accès; ou
- que la personne blessée ne soit pas en mesure de conduire une automobile; ou
- qu'il soit raisonnable et pratique de prendre dans les circonstances un taxi.

Autres moyens de transport

La compagnie d'assurance est tenue de rembourser les frais de déplacement assurés par un autre moyen de transport lorsque les circonstances le requièrent. Avant que la personne n'engage des frais de transport par avion, par train ou par autocar, elle devrait en discuter avec sa compagnie d'assurance.

« Franchise » de 50 kilomètres

Comme il est mentionné aux paragraphes 14(6), 15(12) et 24(4) de l'Annexe, tel qu'elle a été modifiée par le Règlement de l'Ontario 458/03, la compagnie d'assurance n'est pas tenue de rembourser les 50 premiers kilomètres parcourus (que le transport se fasse ou non par le véhicule de la personne assurée) pour se rendre aux séances de traitement, de thérapie et de réadaptation ainsi qu'aux examens et aux évaluations et en revenir, sauf dans les cas où la personne assurée a subi des blessures graves en raison de l'accident. GUIDELINE ON INSURERS' DELIVERY OF DOCUMENTS TO INSURED PERSONS

Superintendent's Guideline No. 05/04

March 2004

Introduction

This Guideline is issued pursuant to section 268.3(1) of the *Insurance Act* for the purposes of O. Reg. 403/96, the *Statutory Accident Benefits Schedule - Accidents on or After November 1, 1996* (SABS) as amended. This revised Guideline replaces Superintendent's Guideline No. 09/03 released in October, 2003 titled *Insurers' Delivery of Documents to Insured Persons*. This revised Guideline clarifies the options for insurers when delivering documents and notices to insured persons in light of recent amendments to the SABS made by O. Reg. 458/03.

Section 68 of the SABS sets out options for delivery of documents and notices. The amendments to this section made by O. Reg. 458/03 revoke the prohibition against the use of certified or registered mail when delivering documents, including a notice, that must be given within five or fewer days. These changes became effective on January 10, 2004, the date of publication of O. Reg. 458/03 in *The Ontario Gazette*. Regular mail continues to be prohibited for delivery of any notice that must be given within five or fewer days.

As a result of these amendments to the SABS, where a document must be delivered within five or fewer business days to an insured person who is not represented by a solicitor or other authorized representative and does not have a fax machine, the SABS permits the insurer to deliver the document personally or by certified or registered mail. Subsection 68(4) of the SABS contains provisions for leaving the document with an adult at the insured person's residence if delivery directly to the insured person is not possible.

A health care provider¹ may, for the purpose of receiving certain documents from the insurer on behalf of the insured person, agree to act as the insured person's authorized representative for that limited purpose in the particular situations enumerated below.

Process for health care provider to act as an insured person's authorized representative for purpose of receiving documents from an insurer

The insurer may deliver a document to an insured person via a health care provider in the following circumstances:

1. The insured person is not already represented by a lawyer or other authorized representative²;
2. The insured person's authorization is expressly limited to authorizing the health care provider to receive:
 - i. the insurer's written notice in response to:
 - (a) a Treatment Plan (OCF-18),
 - (b) an Application for Approval of an Assessment or Examination (OCF-22), or
 - (c) a Pre-approved Framework Treatment Confirmation Form (OCF-23/198), or,
 - ii. an insurer examination report under subsection 42(7) of the SABS;
3. The health care provider agrees to act in accordance with the authorization;
4. The signed authorization is provided to the insurance company prior to the insurer's delivery of the document referred to in the authorization; and
5. The insurer relies on the authorization to deliver only such documents as are expressly referred to in the authorization.

Health care provider's obligation upon receiving the document from the insurer:

Upon receipt of the document from the insurer, the health care provider is obliged to immediately notify the insured person of the substance of the document by telephone and mail a copy of the document to the insured person by ordinary mail.

**LIGNE DIRECTRICE DE LA TROUSSE DE DEMANDE
D'INDEMNITÉS D'ACCIDENT**

Ligne directrice du surintendant No. 05/04

Mars 2004

Introduction

La présente ligne directrice est émise en vertu de l'article 268.3(1) de la

Loi sur les assurances, aux fins du Règlement de l'Ontario 403/96, l'*Annexe sur les indemnités d'accident légales - accidents survenus le 1^{er} novembre 1996 ou après ce jour (SABS)*, tel qu'il a été modifié. Cette ligne directrice révisée remplacera la ligne directrice du surintendant No. 09/03 émise en octobre 2003, intitulée *Trousse de demande d'indemnités d'accident*. La nouvelle ligne directrice clarifie les options offertes aux compagnies d'assurance quand elles doivent fournir des documents et des avis aux personnes assurées, à la lumière des récentes modifications apportées au SABS fondées sur le Règlement de l'Ontario 458/03.

L'article 68 de cette loi définit les options pour la délivrance de documents et d'avis. Les modifications à cet article, fondées sur le Règlement de l'Ontario 458/03, annulent l'interdit contre l'usage du courrier certifié ou du courrier enregistré pour la livraison de documents, y compris un avis, dans un délai de cinq jours ou moins. Ces modifications sont entrées en vigueur le 10 janvier 2004, soit à la date à laquelle le Règlement de l'Ontario a été publié dans *La gazette de l'Ontario*. La poste régulière continue d'être interdite pour la livraison de tout avis qui doit être délivré dans un délai de cinq jours ou moins.

À la suite de ces modifications à l'Annexe sur les indemnités, quand un document doit être livré dans les cinq jours ouvrables ou moins à une personne assurée qui n'est pas représentée par un avocat ou par une autre personne autorisée comme un membre de la famille et qui ne possède pas de télécopieur, la SABS permet que la compagnie d'assurance livre le document en mains propres ou par courrier certifié ou enregistré. Le paragraphe 68(4) de l'Annexe sur les indemnités contient des dispositions permettant de remettre le document à un adulte à la résidence de la personne blessée s'il n'est pas possible de remettre directement le document à son destinataire.

Un fournisseur de soins de santé¹ peut, dans le but de recevoir certains documents de la compagnie d'assurance au nom de la personne blessée, accepter d'agir comme représentant autorisé de la personne blessée à cette fin seulement et dans les circonstances particulières énumérées ci-après.

Processus pour un fournisseur de soins de santé d'agir comme représentant autorisé au nom d'une personne blessée aux fins de recevoir des documents de la compagnie d'assurance

La compagnie d'assurance peut livrer un document à une personne blessée par le truchement d'un fournisseur de soins de santé dans les circonstances suivantes :

1. La personne assurée n'est pas déjà représentée par un avocat ou un représentant autorisé²;
2. L'autorisation de la personne blessée se limite expressément à permettre au fournisseur de soins de santé à recevoir :
 - i. Les notes écrites de la compagnie d'assurance en réponse à un formulaire :

¹Aux fins de cette ligne directrice, « fournisseur de soins de santé » désigne :

- (a) in the case of an OCF-18, a member of a health profession as defined in the SABS
- (b) in the case of an OCF-22, a member of a health profession as defined in the SABS
- (c) in the case of an OCF-23/198, a health practitioner as defined in the SABS.

A health care provider should, before agreeing to act in accordance with such an authorization, confirm with the insured person that he or she is not already represented by a lawyer or other authorized representative.

² For the purposes of this Guideline, "other authorized representative" is a person named in Part 2 of the insured person's OCF-1, Application for Accident Benefits, to whom the insurer can deliver documents by fax under subsection 68(2)(a) of the SABS.

- (a) dans le cas du OCF-18, un membre professionnel de la santé tel que défini dans l'Annexe sur les indemnités
- (b) dans le cas du OCF-22, un membre professionnel de la santé tel que défini dans l'Annexe sur les indemnités
- (c) dans le cas du OCF-23/198, un praticien de la santé tel que défini dans l'Annexe sur les indemnités.

Avant d'accepter d'agir en conformité avec une telle autorisation, un fournisseur de soins de santé doit confirmer avec la personne assurée qu'il ou elle n'est pas déjà représentée par un avocat ou un autre représentant autorisé.

² Aux fins de cette ligne directrice, « autre représentant autorisé » est une personne nommée à la partie 2 de la OCF-1 de la personne assurée, la OCF-1, Demande d'indemnités d'accidents, à laquelle la compagnie d'assurance peut fournir des documents par télécopieur aux termes de l'article 68(2)(a) de l'Annexe.

- (a) de Programme de traitement (OCF-18),
- (b) de Demande d'approbation pour une évaluation ou un examen (OCF-22) ou
- (c) de Confirmation du traitement selon les Lignes directrices pré-autorisées (OCF-23/198) ou

- ii. Un rapport d'examen d'un assureur aux termes de l'article 42(7) de l'Annexe sur les indemnités.

3. Le fournisseur de soins de santé accepte d'agir en conformité avec l'autorisation qu'on lui a conférée;
4. L'autorisation signée est fournie à la compagnie d'assurance avant l'expédition par cette dernière du document dont il est fait mention dans l'autorisation; et
5. La compagnie d'assurance se fie à l'autorisation pour fournir seulement ces documents tels que mentionnés dans l'autorisation.

L'obligation du fournisseur de soins de santé sur réception du document de la compagnie d'assurance:

Sur réception du document de la compagnie d'assurance, le fournisseur de soins de santé est tenu d'en informer immédiatement la personne assurée de la substance du dit document par téléphone ou lui faire parvenir par la poste copie du document.

March 2004

Introduction

This Guideline is issued pursuant to subsection 268.3 (1) of the *Insurance Act* for the purposes of subsections 14 (4), 15 (6), 17 (2) and 24 (2) of the *Statutory Accident Benefits Schedule - Accidents on or After November 1, 1996* (SABS), and applies to expenses related to services rendered on or after February 1, 2004.

Purpose

This Guideline establishes the maximum expenses payable by automobile insurers under the SABS related to the services of any of the health care professions or health care providers listed in the Guideline. These maximums are applicable to:

1. Effective April 1, 2004, the rate of interest payable on tax underpayments, Electricity Act payments, and amounts payable with respect to small business development grants administered by the Ministry of Finance, will be 8%. The general rate of interest on overpayment of taxes and Electricity Act payments will be 3%. These rates apply to the following statutes:

Commercial Concentration Tax Act
Corporations Tax Act
Electricity Act, 1998 (Parts V.I & VI)
Employer Health Tax Act
*Fuel Tax Act**

*Gasoline Tax Act**
Land Transfer Tax Act
Mining Tax Act
Provincial Land Tax Act

Also effective April 1, 2004, the rate of interest will be 5% on amounts refunded or credited after an objection or appeal of Commercial Concentration Tax, Corporations Tax, Employer Health Tax, Gasoline Tax*, Fuel Tax*, Land Transfer Tax, Mining Tax, Retail Sales Tax, Tobacco Tax or Electricity Act payments. Under retroactive regulation changes that came into force in September 1999, the rate of interest on amounts refunded or credited after successful objections or appeals is increased by two points over the general rate on refunds, applicable to periods after 1998 for Commercial Concentration Tax, Gasoline Tax, Fuel Tax, Land Transfer Tax, Retail Sales Tax, and Tobacco Tax, and to taxation years ending after 1997 for Corporations Tax, Employer Health Tax, Mining Tax and Electricity Act payments.

* The rates in this Notice do not apply to International Fuel Tax Agreement (IFTA) matters, as that agreement contains distinct provisions for setting interest rates.

2. The tables below show the respective rates of interest applicable to past periods of time in the five years ending March 31, 2004, and the new rates now in effect.

AVIS DE CHANGEMENT DANS LES TAUX D'INTÉRÊT

1. À compter du 1^{er} avril 2004, le taux d'intérêt sur les paiements en moins de taxes et d'impôts, les paiements au titre de la Loi sur l'électricité, et les montants payables relativement aux subventions pour l'expansion des petites entreprises administrées par le ministère des Finances sera de 8%. Le taux d'intérêt général sur les paiements en trop de taxes et d'impôts, et les paiements au titre de la Loi sur l'électricité sera de 3%. Ces taux s'appliquent aux lois suivantes :

Loi sur la taxe de vente au détail

Loi de la taxe sur le tabac

Loi de la taxe sur le pari mutuel

*Loi de la taxe sur l'essence**

Loi de 1998 sur l'électricité (parties V.1 et VI)

Loi sur l'imposition des corporations

Loi sur l'impôt foncier provincial

Loi de l'impôt sur l'exploitation minière

Loi sur les droits successoraux

et

*Loi de la taxe sur les carburants**

Loi sur les droits de cession immobilière

Loi sur l'impôt-santé des employeurs

Selon les changements au règlement rétroactif entrés en vigueur en septembre 1999, le taux d'intérêt accordé sur les montants remboursés ou crédités après qu'une opposition ou un appel ait été accueilli, augmente de deux points par rapport au taux d'intérêt général accordé sur les remboursements, applicable aux périodes après 1998 pour l'impôt sur les concentrations commerciales, la taxe sur l'essence, la taxe sur les carburants, les droits de cession immobilière, la taxe de vente au détail et la taxe sur le tabac, et aux années d'imposition prenant fin après 1997 pour l'impôt des compagnies, l'impôt-santé des employeurs, l'impôt sur l'exploitation minière et les paiements au titre de la Loi sur l'électricité.

* Les taux d'intérêts publiés dans le présent avis ne s'appliquent pas aux questions liées à l'accord international relatif aux taxes sur les carburants, car cet accord renferme des dispositions distinctes pour l'établissement des taux d'intérêt.

2. Le tableau ci-après donne les taux d'intérêt respectifs applicables aux périodes antérieures dans les cinq ans prenant fin le 31 mars 2004 et les nouveaux taux en vigueur.

SECTION 2 ACCIDENT BENEFITS

Please note that the General Provisions, Definitions, Exclusions and Statutory Conditions of this Policy found in Section 7 and Section 8, except as otherwise stated in those Sections, apply to every Section of the Policy. Each Section of the Policy should be read subject to the provisions in Sections 7 and 8.

2.1 Who is covered

For the purposes of Section 2, insured persons are defined in the *Statutory Accident Benefits Schedule* and an insured automobile for this purpose includes an owned, a non-owned, and a customer's automobile as defined in this Policy. In addition, insured persons also include any person who is injured or killed in an automobile accident involving an owned, non-owned or customer's automobile as defined in this Policy, and is not the named Insured, or the spouse, same-sex partner or dependant of a named Insured, under any other motor vehicle liability policy, and is not covered under the policy of an automobile in which they were an occupant or which struck them.

2.2 Types and Benefits

The details of the Accident Benefits Coverage are set out in the *Statutory Accident Benefits Schedule* of the *Insurance Act*. This Section outlines the benefits that an insured person may be entitled to receive if injured or killed in an automobile accident. If there is a difference between the interpretation of the wording in this Section and the interpretation of the wording in the *Statutory Accident Benefits Schedule*, the *Statutory Accident Benefits Schedule* prevails.

The insurance company is obligated to inform insured persons about the benefits available.

The benefits in the *Statutory Accident Benefits Schedule* are:

Income Replacement Benefit

This benefit may compensate an insured person for lost income.

Caregiver Benefit

This benefit may provide compensation for some expenses incurred when an insured person cannot continue as the main caregiver for a member of the household who is in need of care.

Non-Earner Benefit

This benefit may provide compensation if an insured person is completely unable to carry on a normal life and does not qualify for an Income Replacement Benefit or Caregiver Benefit.

Medical Benefit

This benefit may pay for some medical expenses incurred when an insured person is injured. These are expenses that are not covered by any other medical coverage plan.

Rehabilitation Benefit

This benefit may pay for some rehabilitation expenses incurred when an insured person is injured. These are expenses that are not covered by any other plan.

Attendant Care Benefit

This benefit may compensate an insured person for some of the expense of an aide or attendant.

Compensation for Other Expenses

This benefit may pay for some other expenses such as the cost of visiting an insured person during treatment or recovery. It may also pay for some housekeeping and home maintenance, the repair or replacement of some items lost or damaged in the accident, and some lost educational expenses.

Death Benefit

This benefit may pay money to some members of the family of an insured person who is killed.

This benefit may pay for some funeral expenses.

Optional Benefits

One or more optional benefits may be purchased to increase the basic levels of benefits provided in this Section. The optional benefits are:

Increased Income Replacement; Increased Caregiver and Dependant Care; Increased Medical, Rehabilitation and Attendant Care; Increased Death and Funeral. An optional Indexation Benefit may be purchased, which provides for certain weekly benefit payments and monetary limits to increase on an annual basis to reflect changes in the cost of living.

2.3 How to Apply for Benefits**2.3.1 Applying for Benefits - Procedures and Time Limits**

Anyone applying for Accident Benefits must advise the Insurer within 7 days of the accident. The Insurer will send an application for Accident Benefits to each applicant. The person applying for the benefits must send to the Insurer the completed application within 30 days of receiving it. An insured person may still be entitled to benefits if these time limits are not met for good reason, but payment of the benefits may be delayed. The Insurer must pay the Income Replacement Benefit, Non-Earner Benefit or Caregiver Benefit within 14 days of receiving the complete application. The Insurer must pay the Death Benefit, Funeral Benefit and Compensation for Other Expenses within 30 days of receiving the complete application. Unless the Insurer asks for an Assessment of Attendant Care Needs form within 14 days of receiving a complete application, the Insurer must pay the Attendant Care Benefit within 30 days. If an insured person is claiming the Medical Benefit or Rehabilitation Benefit, the insured person's doctor or other member of a health profession must provide the Insurer with a treatment plan or other related forms. In some cases, the Insurer can ask an insured person to go for an independent assessment to assess the Medical, Rehabilitation or Attendant Care Benefit needs. The Insurer may ask an insured person to provide additional information in connection with the claim, such as a statutory declaration as to the circumstances that gave rise to the application, or proof of identity. The Insurer may also ask an insured person to attend an examination under oath in connection with entitlement to benefits, on reasonable advance notice and at a time and place that are convenient to the person. If the person does not participate as requested, benefits may be delayed or suspended. If the injuries fall within certain guidelines issued by the Superintendent of Financial Services, an insured person may be entitled to some medical or rehabilitation treatments without the Insurer's prior approval and before a completed application is submitted.

2.3.2 Choosing Which Benefit to Receive

If an insured person qualifies for more than one weekly benefit, the Insurer will notify the person, who must choose which benefit he/she will receive. The insured person may choose between the Income Replacement, Non-Earner or Caregiver Benefits. An insured person will have 30 days to make a choice.

2.4 Limitations on the Coverage

- (b) at the expense of the insurer, and as far as reasonably possible, protect the automobile from further loss or damage; and
- (c) deliver to the insurer within ninety days after the date of the loss or damage a statutory declaration stating, to the best of the insured's knowledge and belief, the place, time, cause and amount of the loss or damage, the interest of the insured and of all others therein, the encumbrances thereon, all other insurance, whether valid or not, covering the automobile and that the loss or damage did not occur directly or indirectly through any wilful act or neglect of the insured.

- (2) Any further loss or damage accruing to the automobile directly or indirectly from a failure to protect it as required under subcondition (1) of this condition is not recoverable under this contract.

- (3) No repairs, other than those that are immediately necessary for the protection of the automobile from further loss or damage, shall be undertaken and no physical evidence of the loss or damage shall be removed,

- (a) without the written consent of the insurer; or

- (5) The insurer shall not be liable for more than the actual cash value of the automobile at the time any loss or damage occurs, and the loss or damage shall be ascertained or estimated according to that actual cash value with proper deduction for depreciation, however caused, and shall not exceed the amount that it would cost to repair or replace the automobile, or any part thereof, with material of like kind and quality, but, if any part of the automobile is obsolete and out of stock, the liability of the insurer in respect thereof shall be limited to the value of that part at the time of loss or damage, not exceeding the maker's latest list price.

Repairing, rebuilding or replacing property damaged or lost

- (6) The insurer may repair, rebuild or replace the property that is damaged or lost, instead of making the payment referred to in statutory condition 9, if the insurer gives written notice of its intention to do so within seven days after receipt of the proof of loss.

Time for repairs

- (6.1) The insurer shall carry out the repair, rebuilding or replacement referred to in subcondition (6),

- (a) within a reasonable period of time after giving the notice required under subcondition (6), if an appraisal referred to in subcondition (2.1) of statutory condition 9 is not carried out in respect of the claim; or

New or aftermarket parts

- (6.2) For the purposes of subcondition (6), the insurer may repair, rebuild or replace the property with new parts provided by the original equipment manufacturer or with non-original or rebuilt parts of like kind and quality to the property that was damaged or lost.

No Abandonment; Salvage

- (7) There shall be no abandonment of the automobile to the insurer without the insurer's consent. If the insurer exercises the option to replace the automobile or pays the actual cash value of the automobile, the salvage, if any, shall vest in the insurer.

Time Limit

7. The notice required by subcondition (1) of statutory condition 5 and subcondition (1) of statutory condition 6 shall be given to the insurer within seven days of the incident but if the insured is unable because of incapacity to give the notice within seven days of the incident, the insured shall comply as soon as possible thereafter.

Inspection of Automobile

8. The insured shall permit the insurer at all reasonable times to inspect the automobile and its equipment.

Time and manner of payment of insurance money

9. (1) If the insurer has not chosen to repair, rebuild or replace the property that is damaged or lost, the insurer shall pay the insurance money for which it is liable under the contract,
- (a) within 60 days after the insurer receives the proof of loss, if no appraisal referred to in subcondition (2.1) is carried out in respect of the claim; or
 - (b) within 15 days after the insurer receives the appraisers' determination of the matters in disagreement, if an appraisal referred to in subcondition (2.1) is carried out in respect of the claim.

Reasons for Refusal

- (2) If the insurer refuses to pay a claim, it shall promptly inform the insured in writing of the reasons the insurer claims it is not liable to pay.

Resolution of disagreement by appraisal under s. 128 of the Act

- (2.1) Section 128 of the Act applies to this contract if,

 - (ii) the amount payable in respect of the loss or damage; and
 - (c) either the insured or the insurer requests in writing that an appraisal under section 128 of the Act be carried out and the other of them agrees.

When Action may be Brought

- (3) The insured shall not bring an action to recover the amount of a claim under this contract unless the requirements of statutory conditions 5 and 6 are complied with.

Limitation of Actions

- (4) Every action or proceeding against the insurer under this contract in respect of loss or damage to the automobile or its contents shall be commenced within one year next after the happening of the loss and not afterwards, and in respect of loss or damage to persons or other property shall be commenced within two years next after the cause of action arose and not afterwards.

Who May Give Notice and Proofs of Claim

10. Notice of claim may be given and proofs of claim may be made by the agent of the insured in case of absence or inability of the insured to give the notice or make the proof, such absence or inability being satisfactorily accounted for or, in the like case or if the insured refuses to do so, by a person to whom any part of the insurance money is payable.

Deductible amounts

- 10.1 (1) Despite anything in this contract,
- (a) the insurer shall be liable only for amounts in excess of the applicable deductible amount, if any, mentioned in this contract; and
 - (b) any provision in this contract relating to an obligation of the insurer to pay an amount or to repair, rebuild or replace property that is damaged or lost shall be satisfied by paying the amount determined by deducting any applicable deductible amount from,

- (2) This contract may be terminated by the insured at any time on request.
- (3) Where this contract is terminated by the insurer,
- (a) the insurer shall refund the excess of premium actually paid by the insured over the proportionate premium for the expired time, but in no event shall the proportionate premium for the expired time be deemed to be less than any minimum retained premium specified; and

Veuillez noter que les dispositions générales, définitions, exclusions et conditions légales de la présente police figurant aux parties 7 et 8 s'appliquent à toutes les parties de la police, sauf indication contraire. Chaque partie de la police doit être interprétée sous réserve de ces dispositions.

2.1 Personnes assurées

Aux fins de la partie 2, les personnes assurées sont définies dans l'*Annexe sur les indemnités d'accident légales* et une automobile assurée à cette fin comprend les automobiles qui appartiennent à la personne assurée ainsi que celles qui ne lui appartiennent pas et les automobiles des clients, conformément aux définitions de la présente police. En outre, l'assurance couvre toute personne qui est blessée ou tuée dans un accident qui met en cause l'automobile d'un client ou une automobile appartenant ou non à la personne assurée, conformément aux définitions de la présente police, et qui n'est pas la personne assurée désignée, son conjoint ou partenaire de même sexe ou une personne à charge aux termes d'une autre police d'assurance de responsabilité automobile et qui n'est pas couverte aux termes de la police couvrant l'automobile dans laquelle elle prenait place ou qui l'a heurtée.

2.2 Types de garanties

Les indemnités d'accident légales sont décrites en détail dans l'*Annexe sur les indemnités d'accident légales* de la Loi sur les assurances. La présente partie décrit les indemnités auxquelles a droit la personne assurée si elle est blessée ou tuée dans un accident d'automobile. Advenant des divergences entre le libellé de la présente partie et celui de l'Annexe, c'est l'interprétation de cette dernière qui l'emporte.

L'assureur est tenu d'informer les personnes assurées des garanties offertes.

L'*Annexe sur les indemnités d'accident légales* comprend les garanties suivantes :

Prestations de remplacement du revenu

Cette garantie prévoit le paiement de prestations si la personne assurée est incapable de gagner un revenu.

Prestations de soins

Cette garantie prévoit le remboursement de certains frais lorsque la personne assurée ne peut pas continuer de prendre soin à plein temps d'une personne à charge.

Prestations en l'absence d'un revenu

Cette garantie prévoit des prestations si la personne assurée est incapable de mener une vie normale et n'est pas admissible aux prestations de remplacement du revenu ou aux prestations de soins.

Prestations pour frais médicaux

Cette garantie peut rembourser certains frais médicaux si la personne assurée est blessée, à condition que ces frais ne soient pas couverts par une autre assurance.

Prestations pour frais de réadaptation

Cette garantie peut rembourser certains frais de réadaptation si la personne assurée est blessée, à condition que ces frais ne soient pas couverts par une autre assurance.

Prestations pour soins auxiliaires

Cette garantie prévoit le remboursement d'une partie des frais engagés par la personne assurée pour obtenir des soins auxiliaires.

Remboursement d'autres frais

Cette garantie prévoit le remboursement d'autres frais, comme ceux des personnes qui rendent visite à la personne assurée pendant qu'elle reçoit des soins ou qu'elle est en convalescence. Un remboursement est aussi prévu pour certains frais de nettoyage et d'entretien ménager, de réparation ou de remplacement d'articles perdus ou endommagés lors d'un accident ainsi que certains frais scolaires.

Prestations de décès

Cette garantie prévoit le paiement de prestations aux membres de la famille en cas du décès de la personne assurée.

Prestations de frais funéraires

Cette garantie peut rembourser certains frais funéraires.

Garanties facultatives

Il est possible de souscrire une ou plusieurs garanties facultatives afin d'accroître les garanties de base prévues dans la présente section. Ces garanties facultatives sont les suivantes :

prestations majorées de remplacement du revenu; prestations majorées de soins et de soins aux personnes à charge; prestations majorées pour frais médicaux, pour frais de réadaptation et pour soins auxiliaires; prestations majorées de décès et de frais funéraires. La personne assurée peut aussi souscrire une garantie d'indexation qui augmente chaque année certaines indemnités hebdomadaires et limites monétaires en fonction de l'augmentation du coût de la vie.

2.3 Présentation d'une demande d'indemnités

2.3.1 Demande d'indemnités – Modalités et délais

En cas d'accident, toute personne demandant des indemnités doit en informer l'assureur dans les sept jours suivant l'événement, et l'assureur fera parvenir à chacune de ces personnes une formule de demande d'indemnités. La personne demandant des indemnités doit faire parvenir à l'assureur la formule de demande dûment remplie dans les 30 jours suivant sa réception. La personne assurée peut être

admissible aux prestations même si elle ne respecte pas ces délais, à condition de fournir un motif valable, mais le versement de ces prestations peut être retardé. L'assureur peut demander à la personne assurée de fournir des renseignements supplémentaires relativement à la demande d'indemnités, tels qu'une déclaration solennelle portant sur les circonstances ayant mené à la demande, ou encore une preuve d'identité. Moyennant un avis raisonnable, l'assureur peut aussi demander à la personne assurée de se soumettre à un interrogatoire sous serment relativement à son droit à des indemnités, à une date et un endroit qui conviennent à celle-ci. Si la personne ne prend pas part à l'interrogatoire, tel que demandé, le versement des indemnités peut être retardé ou suspendu. Si les blessures de la personne assurée correspondent à certaines lignes directrices établies par le surintendant des services financiers, elle peut avoir droit à certains traitements médicaux et de réadaptation sans avoir obtenu l'approbation préalable de l'assureur et avant d'avoir présenté une demande d'indemnités dûment remplie.

2.3.2 Choix des indemnités

Si la personne assurée est admissible à plusieurs indemnités hebdomadaires, l'assureur l'en informera et celle-ci aura 30 jours pour choisir parmi les prestations de remplacement du revenu, les prestations en l'absence d'un revenu ou les prestations de soins.

2.4 Restriction de la garantie

La personne assurée n'est pas admissible aux prestations de remplacement du revenu, aux prestations en l'absence d'un revenu ou aux prestations pour autres frais si elle

- a) savait, ou aurait raisonnablement dû savoir, qu'elle conduisait une automobile non assurée;
- b) conduisait une automobile alors qu'elle n'était pas légalement autorisée à conduire;
- c) conduisait une automobile qu'elle n'était pas autorisée à conduire en vertu de la présente police;
- d) conduisait sciemment une automobile sans le consentement du propriétaire, ou aurait raisonnablement dû savoir que l'automobile était conduite sans le consentement du propriétaire;
- e) a fait ou a eu connaissance d'une déclaration inexacte importante qui a incité l'assureur à établir la présente police;
- f) a intentionnellement omis d'aviser l'assureur d'une modification importante des circonstances constitutives du risque, conformément à la partie 8, article 1;
- g) a été déclarée coupable d'une infraction criminelle dans le cadre de la conduite d'une automobile.

Calcul de la prime ajustable

7.5 Les primes initiales sont calculées selon les conditions décrites dans le tableau de calcul de la prime pour la période d'assurance.

7.6 Les primes initiales mentionnées au paragraphe 7.5 peuvent être ajustées à la fin de la période d'assurance lorsque la personne assurée doit remettre par écrit à l'assureur l'information courante nécessaire en vue d'ajuster la prime indiquée dans le tableau de calcul de la prime, pourvu que :

- a) si la prime ajustée ainsi calculée est supérieure à la prime initiale applicable stipulée à la rubrique 5 du certificat d'assurance, la personne assurée paye la différence;
- b) si la prime est inférieure à la prime initiale applicable, l'assureur rembourse à la personne assurée la prime non acquise, sous réserve de la retenue de la prime minimale déterminée dans le certificat d'assurance.

7.7 À l'égard seulement des alinéas 5.1.2 (Risques multiples), 5.1.3 (Risques spécifiés) et 5.1.4 (Risques spécifiés excluant le vol) de la partie 5, si la prime est calculée en fonction d'une MOYENNE MENSUELLE :

- b) la valeur de toutes les automobiles appartenant à la personne assurée qui ne sont pas à vendre doit être comprise dans les valeurs indiquées pour l'emplacement principal dans la municipalité ou le district où la personne assurée fait affaires;
- c) une moyenne des valeurs totales notées à chaque emplacement doit être effectuée et si la prime sur les valeurs moyennes
 - i) est supérieure aux primes initiales applicables stipulées dans le certificat d'assurance, la personne assurée doit verser un complément de prime pour cet excédent;
 - ii) est inférieure aux primes initiales applicables, l'assureur doit rembourser à la personne assurée la prime non acquise.

7.9 Advenant qu'un rapport mentionné à l'alinéa 7.8 (a) ne soit pas fait dans le délai stipulé dans ce paragraphe, la limite de responsabilité à chaque emplacement doit être égale à la valeur du risque aux fins de l'ajustement de la prime.

PARTIE 8 CONDITIONS LÉGALES

Nota : La Loi sur les assurances stipule que ces conditions doivent être imprimées dans chaque police d'assurance-automobile de l'Ontario. Advenant une divergence entre ces conditions et le libellé du contrat, les présentes conditions l'emportent.

La définition qui suit s'applique aux présentes conditions légales, à moins que le contexte ne s'y oppose.

«assuré» S'entend de la personne assurée par le présent contrat, qu'elle soit nommément désignée ou non.

Modification importante du risque

1. (1) L'assuré nommément désigné dans le présent contrat avise promptement par écrit l'assureur ou son agent local de toute modification importante des circonstances constitutives du risque dont il a connaissance.
- (2) La définition qui suit s'applique sans préjudice de la portée générale de ce qui précède.

«modification importante des circonstances constitutives du risque» S'entend en outre :

- a) d'un changement dans l'intérêt assurable qu'a l'assuré nommé au présent contrat dans l'automobile en raison d'une vente, d'une cession ou de toute autre façon, sauf dans le cas d'un transfert du droit de propriété par succession, par décès ou par des procédures prises en vertu de la *Loi sur la faillite et l'insolvabilité* (Canada),

et, dans le cas d'une assurance contre la perte de l'automobile ou les dommages qui peuvent lui être causés :

- b) d'une hypothèque, d'un privilège ou d'une charge grevant l'automobile après la présentation de la proposition relative au présent contrat;
- c) de toute autre assurance du même intérêt, qu'elle soit valide ou non, couvrant les pertes ou dommages déjà couverts par le présent contrat, ou une partie de ceux-ci.

Erreur de classement

2. (1) Si un assuré a été incorrectement classé d'après le système de classement des risques qu'utilise l'assureur ou qu'il est tenu par la loi d'utiliser, l'assureur apporte la correction nécessaire.

Remboursement de l'excédent de prime

- (2) Si une correction est apportée aux termes de la sous-condition (1) de la présente condition, l'assureur rembourse à l'assuré l'excédent de prime, ainsi que les intérêts applicables à la période pendant laquelle a duré l'erreur de classement au taux d'escompte en vigueur à la fin du premier jour du dernier mois du trimestre précédant le trimestre où l'erreur a été commise pour la première fois. Le taux d'escompte à fraction est arrondi au nombre entier supérieur.

Définition

- (3) La définition qui suit s'applique à la sous-condition (2) de la présente condition.
- «taux d'escompte» S'entend du taux d'escompte que fixe la Banque du Canada comme le taux d'intérêt minimum qu'elle accorde aux banques figurant à l'Annexe 1 de la *Loi sur les banques* (Canada) sur les sommes d'argent à court terme qu'elle leur avance.

Surprime

- (4) Si une correction est apportée aux termes de la sous-condition (1) de la présente condition dans les soixante jours qui suivent la prise d'effet du présent contrat, l'assureur peut exiger que l'assuré paie une surprime par suite de la correction apportée, sans intérêt.

Mensualités

3. Sauf prévision contraire dans les règlements pris en application de la *Loi sur les assurances*, l'assuré peut payer sa prime, sans encourir de pénalité, par mensualités égales qui, additionnées, donnent le montant total de la prime. L'assureur peut exiger des intérêts à un taux qui ne dépasse pas celui qui est indiqué dans les règlements.

Permission de conduire

4. (1) L'assuré ne doit ni conduire l'automobile ni en faire l'usage, ni autoriser une autre personne à la conduire ou en faire usage, à moins d'y être autorisé par la loi ou à moins que cette autre personne n'y soit autorisée par la loi.

Usage interdit

- (2) L'assuré ne doit pas utiliser ni autoriser que soit utilisée l'automobile dans une course ou une épreuve de vitesse ou à des fins de commerce ou de transport illicite ou interdit.

Obligations en cas de pertes ou de dommages

5. (1) L'assuré :
- a) donne à l'assureur un avis écrit, avec tous les renseignements disponibles, de tout incident entraînant des pertes subies par une personne ou des dommages corporels ou la perte de biens ou des dommages causés à ceux-ci et de toute demande de règlement
 - b) à la demande de l'assureur, atteste, par déclaration solennelle, que la demande de règlement découle de l'usage ou de la conduite de l'automobile et indique si la personne qui conduisait ou était responsable de la conduite de l'automobile au moment de l'accident est ou non assurée par le présent contrat;
 - c) transmet immédiatement à l'assureur toute lettre, tout document ou avis, ou toute déclaration qu'il a reçus de l'auteur de la demande ou de sa part.
- (2) L'assuré ne doit :
- a) ni assumer volontairement une responsabilité ni régler un sinistre, sauf à ses propres frais;
 - b) ni s'immiscer dans des négociations de règlement ou dans une instance.
- (3) Chaque fois que l'assureur le lui demande, l'assuré apporte son aide à l'obtention de renseignements, de preuves, et à la comparution de témoins, et collabore avec l'assureur, sauf pécuniairement, à la défense dans toute action ou instance, ainsi qu'à la poursuite de tout appel.

Obligations en cas de la perte d'une automobile ou des dommages qui lui sont causés

6. (1) En cas de la perte d'une automobile ou de dommages qui lui sont causés et si la perte ou les dommages sont couverts par le présent contrat, l'assuré :
- a) en donne à l'assureur un avis écrit aussi circonstancié qu'il est alors possible;
 - b) protège, dans la mesure du possible et aux frais de l'assureur, l'automobile contre toute perte ou tout dommage supplémentaires;
 - c) remet à l'assureur, dans les quatre-vingt-dix jours qui suivent la date de la perte ou du dommage, une déclaration solennelle énonçant, au mieux de ses connaissances, ce qu'il tient pour véridique de l'assuré, l'endroit, la date, la cause, et l'étendue du sinistre, l'intérêt de l'assuré et de toute autre personne dans l'automobile, les sûretés la grevant ainsi que toutes les autres assurances, valides ou non, couvrant l'automobile, et attestant que le sinistre n'est pas dû, directement ou indirectement, à un acte ou à la négligence délibérés de l'assuré.
- (2) La perte ou les dommages supplémentaires touchant l'automobile, imputables directement ou indirectement à une faute dans la protection requise par la sous-condition (1) de la présente condition, ne sont pas couverts par le présent contrat.
- (3) Les réparations, autres que celles qui sont immédiatement nécessaires pour protéger l'automobile contre une perte ou des dommages supplémentaires, ne doivent pas être entreprises et aucune preuve matérielle de la perte ou des dommages ne doit être enlevée :
- a) sans le consentement écrit de l'assureur;
 - b) tant que l'assureur n'a pas eu un délai raisonnable pour procéder à l'inspection prévue par la condition légale 8.

Interrogatoire de l'assuré

- (4) L'assuré se soumet à un interrogatoire sous serment, et produit aux fins d'un examen, à l'endroit et à la date raisonnables désignés par l'assureur ou son représentant, tous les documents en sa possession ou sous son contrôle qui sont liés à l'affaire en question et permet que des extraits ou des copies soient tirés de ces documents.

L'assureur tenu à la valeur vénale du sinistre

- (5) La garantie de l'assureur se limite à la valeur réelle en espèces de l'automobile, calculée à la date du sinistre; le sinistre est déterminé ou estimé selon la valeur réelle en espèces, après avoir effectué une juste déduction pour la dépréciation, quelle qu'en soit la cause, et ne doit pas excéder le coût de la réparation ou du remplacement de l'automobile, ou de toute pièce de celle-ci, à l'aide de matériaux de même nature et qualité. Dans le cas où une pièce de rechange est périmée ou ne peut être obtenue, l'assureur n'est alors tenu qu'à la valeur de cette pièce à la date du sinistre. Cette valeur ne doit pas être supérieure au plus récent prix courant du fabricant.

Réparation, reconstruction ou remplacement du bien sinistré

- (6) L'assureur peut réparer, reconstruire ou remplacer le bien sinistré au lieu d'effectuer le paiement visé à la condition légale 9 s'il donne un avis écrit de son intention dans les sept jours qui suivent la réception de la preuve du sinistre.

Délai de réparation

(6.1) L'assureur effectue les travaux de réparation, de reconstruction ou de remplacement visés à la sous-condition (6) :

- a) dans un délai raisonnable après avoir donné l'avis exigé à la sous-condition (6), si la demande de règlement n'est pas suivie d'une estimation visée à la sous-condition (2.1) de la condition légale 9;
- b) dans un délai raisonnable après avoir reçu la décision des estimateurs quant à la façon dont ils règlent les questions qui font l'objet d'un désaccord, si la demande de règlement est suivie d'une estimation visée à la sous-condition (2.1) de la condition légale 9.

Pièces neuves ou pièces de rechange

(6.2) Pour l'application de la sous-condition (6), l'assureur peut réparer, reconstruire ou remplacer le bien au moyen de pièces neuves fournies par l'équipementier ou de pièces de même nature et qualité que le bien sinistré qui ne sont pas d'origine ou qui sont remises à neuf.

Délaissement interdit; sauvetage

(7) L'automobile ne peut être abandonnée à l'assureur sans le consentement de ce dernier. Si l'assureur choisit de remplacer l'automobile ou d'en payer la valeur réelle en espèces, la valeur de sauvetage appartient à l'assureur.

Délai

7. L'avis prévu à la sous-condition (1) de la condition légale 5 et à la sous-condition (1) de la condition légale 6 est donné à l'assureur dans les sept jours suivant l'incident ou, si l'assuré ne peut le faire, pour cause d'incapacité, le plus tôt possible par la suite.

Inspection de l'automobile

8. L'assuré permet à l'assureur d'inspecter l'automobile et ses accessoires en tout temps raisonnable.

Délai et mode de paiement des sommes assurées

9. (1) S'il n'a pas choisi de réparer, de reconstruire ou de remplacer le bien sinistré, l'assureur paie les sommes assurées auxquelles il est tenu aux termes du contrat :

- a) dans les 60 jours qui suivent la réception de la preuve du sinistre, si la demande de règlement n'est pas suivie d'une estimation visée à la sous-condition (2.1);
- b) dans les 15 jours qui suivent la réception de la décision des estimateurs quant à la façon dont ils règlent les questions qui font l'objet d'un désaccord, si la demande de règlement est suivie d'une estimation visée à la sous-condition (2.1).

Motifs du refus

(2) S'il refuse d'acquitter une demande de règlement, l'assureur informe promptement l'assuré par écrit des motifs pour lesquels il prétend ne pas être tenu de le faire.

Règlement d'un désaccord au moyen d'une estimation visée à l'art. 128 de la Loi

(2.1) L'article 128 de la Loi s'applique au présent contrat si les conditions suivantes sont réunies :

- a) l'assureur a reçu de l'assuré une preuve du sinistre à l'égard de biens sinistrés;
- b) l'assureur et l'assuré ne sont pas d'accord :
 - (i) soit sur la nature et l'étendue des travaux de réparation, de reconstruction et de remplacement nécessaires ou sur leur suffisance,
 - (ii) soit sur la somme payable à l'égard du sinistre;
- c) l'assuré ou l'assureur demande par écrit qu'une estimation visée à l'article 128 de la Loi soit effectuée et l'autre accepte.

Conditions préalables à l'introduction d'une action

(3) L'assuré ne doit pas intenter une action en recouvrement du montant d'une demande de règlement en vertu du présent contrat, à moins que les prescriptions des conditions légales 5 et 6 ne soient respectées.

Prescription des actions

(4) Les actions et instances contre l'assureur fondées sur le présent contrat doivent être engagées au plus tard dans l'année qui suit la survenance du sinistre en ce qui concerne la perte de l'automobile ou les dommages qui lui sont causés et au plus tard dans les deux années qui suivent la date où la cause d'action a pris naissance en ce qui concerne les pertes subies par des personnes ou les dommages qui leur sont causés ou la perte d'autres biens ou les dommages qui leur sont causés.

Qui peut donner l'avis et les preuves du sinistre

10. L'avis du sinistre peut être donné et les preuves apportées par l'agent de l'assuré dans le présent contrat en cas d'absence ou d'empêchement de l'assuré de donner l'avis ou d'apporter la preuve, si cette absence ou cet empêchement est suffisamment justifié ou, dans un cas semblable ou en cas de refus de l'assuré, par une personne à laquelle une partie des sommes assurées est payable.

Franchises

10.1 (1) Malgré le présent contrat :

- a) l'assureur n'est tenu de payer que les sommes supérieures à la franchise applicable éventuelle qui y est énoncée;
- b) il est satisfait à sa clause qui traite de l'obligation de l'assureur de payer une somme ou de réparer, de reconstruire ou de remplacer des biens sinistrés par le paiement de la somme calculée en déduisant toute franchise applicable :
 - (i) soit de la somme que l'assuré aurait par ailleurs le droit de recouvrer,
 - (ii) soit du coût des travaux de réparation, de reconstruction ou de remplacement.

Somme réputée une franchise

(2) Pour l'application de la sous-condition (1), la somme que l'assureur n'est pas tenu de payer en raison du paragraphe 261 (1) ou (1.1) ou 263 (5.1) ou (5.2.1) de la *Loi sur les assurances* est réputée une franchise dans le cadre du présent contrat.

Résiliation

11. (1) Sous réserve de l'article 12 de la *Loi sur l'assurance-automobile obligatoire* et des articles 237 et 238 de la *Loi sur les assurances*, le présent contrat peut être résilié par l'assureur, moyennant un avis de résiliation de quinze jours envoyé par courrier recommandé ou un avis écrit de résiliation de cinq jours remis à personne.
- (2) Le présent contrat peut être résilié par l'assuré, en tout temps, à sa demande.
- (3) Lorsque le présent contrat est résilié par l'assureur :
- a) celui-ci rembourse l'excédent de la prime effectivement acquittée sur la prime calculée au prorata de la période écoulée, mais cette prime calculée au prorata ne doit en aucun cas être réputée inférieure à toute prime minimale spécifiée;
 - b) le remboursement accompagne l'avis, sauf si le montant de la prime doit être rajusté ou fixé et, dans ce cas, le remboursement doit se faire le plus tôt possible.

New Information – Please Note

Effective April 1st 2004, the following procedures and new information will apply to all notices published in THE ONTARIO GAZETTE.

The Ontario Gazette is published every Saturday. Advertisements/ notices must be received no later than 4 pm on Thursday, 9 days before publication of the issue in which they should appear. For weeks including Easter Monday, November 11th or a statutory holiday allow an extra day. For the Christmas/New Year holiday schedule please contact the Gazette at the numbers/addresses listed below.

Advertising rates:

- 1) For all notices the basic rate is \$75 per 1/4 page or less for a first insertion.
- 2) For subsequent insertions of the same notice ordered at the same time the rate is \$40 each.

Format:

- 1) The rates listed apply to notices submitted in electronic form. Templates for common notice types may be downloaded from the Gazette web site (see below) or can be obtained from the Gazette by e-mail.
- 2) Hard copy notices require extra work (re-keying, editing and proofing) by the printer, generating extra costs that the Gazette can no longer afford to absorb. Therefore the rate for hard copy in future will be \$75 per 1/4 page plus \$30 per notice.
- 3) Clients may confirm publication of a notice by visiting The Ontario Gazette web site at: www.ontariogazette.gov.on.ca or by viewing a print copy at a local library.
- 4) For hard copy confirmation, ordered when a notice is submitted, the rate is \$30 per notice.
- 5) For a certified hard copy confirmation, the rate is \$60 per notice.

Subscriptions:

The annual subscription rate is \$126.50 + G.S.T. for 52 or 53 weekly issues beginning the first Saturday in January, payable in advance. In-year new subscriptions will be pro-rated for the first year. A new subscriber may order back issues of the Gazette at the single-copy rate as inventory permits.

Refunds for cancelled subscriptions will be pro-rated from 50% or less depending upon date. For subscription information/orders please call (416) 326-5306 during normal business hours.

Single Copies:

Individual Gazette copies may be ordered on-line through POOL at [www.gov.on.ca/MBS/english\(or/french\)/publications](http://www.gov.on.ca/MBS/english(or/french)/publications) or by phone at 1-800-668-9938.

Ontario Government IFIS Ministries Please Note:

IFIS requirements have introduced more stringent and complicated billing procedures that affect both the Gazette and its clients. Please consider using a ministry Purchase Card when placing notices – charge card orders are not subject to IFIS requirements, and will allow the Gazette to avoid future processing delays.

- (c) the value of the wind load factor α_W shall be 2.0.

(9) Despite subsections (7) and (8), a multi-point suspended scaffold and its components may be designed by working stress design if the safety factors for the scaffold and the structural members are at least equal to what would otherwise be provided under those subsections.

(10) Despite subsections (7) and (8), if the failure load of a component has been determined by testing, the minimum safety factors shall be,

- (a) 3.0 for components of the multi-point suspended scaffold;
- (b) 4.0 for components of the suspension and anchorage system; and
- (c) 10.0 for wire ropes, cables or chains used for hoisting, traversing or otherwise moving the multi-point suspended scaffold.

(11) The failure load of a component referred to in subsection (10) shall be verified in writing by a professional engineer.

(12) A multi-point suspended scaffold shall be designed, constructed and maintained in such a way that,

- (b) compliance with subsections (7), (8), (9) and (10) is maintained in all fixed and moving conditions.

(13) The design of a multi-point suspended scaffold shall include adequate movement-limiting devices to be used when traversing or otherwise moving it.

4. La règle 9 du Règlement est abrogée et remplacée par ce qui suit :

RÈGLE 9 : DOSSIER CONTINU**CONSTITUTION DU DOSSIER CONTINU**

9. (1) La personne qui introduit une cause fait ce qui suit :

- a) elle établit un dossier continu unique de la cause, qui en constituera le dossier permanent du tribunal;
- b) elle le signifie aux autres parties et le dépose avec les affidavits de signification ou autres documents attestant que le dossier continu a été signifié.

DOSSIER CONTINU NON NÉCESSAIRE

(2) Il n'est pas nécessaire d'ouvrir un dossier continu dans les cas suivants :

1. La cause est une requête conjointe en divorce.
2. La cause est un divorce non contesté, sauf que, si l'intimé dépose une défense, il ouvre le dossier continu au moment du dépôt.
3. Le requérant dépose une formule de renseignements visant une modification (formule 15), sauf que, si l'intimé dépose un affidavit dans lequel il indique ce en quoi il n'est pas d'accord, celui-ci ouvre le dossier continu au moment du dépôt de l'affidavit.
4. La cause est introduite avant le 1^{er} juillet 2004 devant la Cour supérieure de justice, à l'exclusion de la Cour de la famille de la Cour supérieure de justice, et une partie dépose un avis de changement de représentation (formule 4) ou l'avocat d'une partie dépose un avis de motion en vue de sa révocation le 1^{er} juillet 2004 ou par la suite.
5. Les parties déposent une motion sur consentement pour obtenir une ordonnance définitive.

DOSSIER CONTINU D'EXÉCUTION D'UNE ORDONNANCE ALIMENTAIRE

(3) Si une ordonnance alimentaire est déposée auprès du directeur du Bureau des obligations familiales, la personne qui porte la cause devant le tribunal établit le dossier continu, qui est appelé dossier continu d'exécution d'une ordonnance alimentaire.

DOSSIER CONTINU RELATIF À LA PROTECTION D'UN ENFANT

(4) Dans le cadre d'une requête en vue d'obtenir une ordonnance de protection d'un enfant, le dossier continu est appelé dossier continu relatif à la protection d'un enfant.

DOSSIER CONTINU DE RÉVISION DE STATUT

(5) Dans le cadre d'une demande de révision du statut d'une ordonnance de protection d'un enfant, le dossier continu est appelé dossier continu de révision de statut.

EXIGENCES DE FORME RELATIVES AU DOSSIER CONTINU

(6) Lorsqu'elles établissent et tiennent un dossier continu, un dossier continu d'exécution d'une ordonnance alimentaire, un dossier continu relatif à la protection d'un enfant et un dossier continu de révision de statut en application de la présente règle, les parties remplissent les exigences énoncées dans le document intitulé «Exigences de forme relatives au dossier continu selon les *Règles en matière de droit de la famille*», daté du 1^{er} mars 2004, publié par le Comité des règles en matière de droit de la famille et disponible sur le site www.ontariocourts.on.ca.

SÉPARATION D'UN DOSSIER UNIQUE

(7) Au lieu du dossier continu unique visé au paragraphe (1), le dossier continu peut être séparé en dossiers distincts pour le requérant et l'intimé, conformément à ce qui suit :

1. Dans toute cause, le tribunal peut ordonner l'établissement de dossiers distincts de sa propre initiative ou à la demande de l'une ou l'autre des parties lors d'une conférence relative à la cause, d'une conférence en vue d'un règlement amiable ou d'une conférence de gestion du procès.
2. Dans une cause régie par la voie ordinaire visée au paragraphe 39 (7) ou une cause visée par la règle 41, toute partie peut, sur dépôt de son premier document dans la cause, opter pour la séparation du dossier continu en dossiers distincts.
3. S'il ordonne l'établissement de dossiers distincts et qu'il y a plus d'un requérant et d'un intimé, le tribunal peut ordonner l'établissement de dossiers distincts pour chaque requérant et chaque intimé.
4. Si le dossier est constitué de dossiers distincts, ceux-ci sont appelés respectivement dossier du requérant et dossier de l'intimé.

RÉUNION DE DOSSIERS DISTINCTS

(8) Si le dossier continu a été séparé, le tribunal peut ordonner de sa propre initiative ou, lors d'une conférence relative à la cause, d'une conférence en vue d'un règlement amiable ou d'une conférence de gestion du procès, à la demande de l'une ou l'autre des parties, que les dossiers soient réunis en un dossier unique.

RÉUNION, SUR CONSENTEMENT, DE DOSSIERS DISTINCTS

(9) Si le dossier continu a été séparé, les parties peuvent, si elles sont d'accord, réunir les dossiers distincts en un dossier unique, auquel cas elles prennent conjointement des dispositions en ce sens.

QUI DOIT SÉPARER OU RÉUNIR LE DOSSIER

(10) Si le tribunal ordonne la séparation du dossier continu ou sa réunion :

- a) de sa propre initiative, il donne des directives désignant la partie qui doit séparer le dossier ou le réunir, selon le cas;
- b) à la demande d'une partie lors d'une conférence relative à la cause, d'une conférence en vue d'un règlement amiable ou d'une conférence de gestion du procès, l'auteur de la demande sépare le dossier ou le réunit, selon le cas, sauf ordonnance contraire du tribunal.

TENUE DU DOSSIER CONTINU

(11) Les parties sont chargées, sous la supervision du greffier, de verser au dossier continu qui n'a pas été séparé tous les documents déposés dans le cadre de la cause et, dans le cas de dossiers distincts, chaque partie est chargée, sous la supervision du greffier, de verser à son propre dossier les documents qu'elle dépose.

OBLIGATIONS DE LA PARTIE QUI SIGNIFIE DES DOCUMENTS

(12) La partie qui signifie des documents :

- a) si le dossier continu n'a pas été séparé :
 - (i) d'une part, signifie et dépose tous documents qui ne se trouvent pas déjà dans le dossier continu,
 - (ii) d'autre part, signifie avec les documents une table des matières cumulative mise à jour, qui énumère les documents déposés;
- b) si le dossier continu a été séparé :
 - (i) d'une part, signifie et dépose tous documents qui ne se trouvent pas déjà dans son dossier distinct,
 - (ii) d'autre part, signifie avec les documents une table des matières cumulative mise à jour, qui énumère les documents déposés dans son dossier distinct.

SIGNIFICATION OU DÉPÔT INTERDIT DES DOCUMENTS DÉJÀ VERSÉS AU DOSSIER

(13) Même si les présentes règles exigent qu'une partie signifie ou dépose un document, elle ne doit pas le faire si le document se trouve déjà dans le dossier.

CAS PARTICULIER : AVOCAT DES ENFANTS

(14) Si le dossier continu a été séparé et que l'avocat des enfants est nommé représentant judiciaire d'un enfant qui n'est pas une partie en vertu du paragraphe 89 (3.1) de la *Loi sur les tribunaux judiciaires*, l'avocat des enfants peut établir, signifier et déposer un dossier distinct conformément à la présente règle comme s'il était une partie.

DOCUMENTS DU DOSSIER MENTIONNÉS PAR NUMÉRO D'ONGLET

(15) La partie qui s'appuie sur un document figurant dans le dossier y renvoie en précisant son numéro d'onglet dans le dossier, sauf dans le cas d'un dossier continu d'exécution d'une ordonnance alimentaire.

NON-RETRAIT DES DOCUMENTS DU DOSSIER

(16) Aucun document ne doit être retiré du dossier continu, sauf ordonnance.

MOTIFS ÉCRITS DE L'ORDONNANCE

(17) Si le tribunal donne par écrit les motifs de l'ordonnance qu'il rend :

- a) ils peuvent être inscrits à la main sur une feuille d'inscriptions ou l'inscription peut prendre la forme d'une brève remarque sur la feuille d'inscriptions indiquant que les motifs écrits sont fournis séparément;
- b) le greffier insère une copie des motifs dans la section des inscriptions du dossier;
- c) le greffier envoie une copie des motifs aux parties par la poste, par télécopie ou par courrier électronique.

ÉTABLISSEMENT D'UN NOUVEAU DOSSIER EN CAS DE MOTION EN MODIFICATION D'UNE ORDONNANCE DÉFINITIVE

(18) Si le tribunal a rendu une ordonnance définitive et qu'une motion en modification est présentée, un nouveau dossier continu est établi et la présente règle s'applique au nouveau dossier continu.

APPEL

(19) S'il est interjeté appel d'une ordonnance définitive, seuls l'avis d'appel et une ordonnance du tribunal d'appel (à l'exclusion de tout autre document relatif à l'appel) sont versés au dossier.

TRANSFERT DU DOSSIER EN CAS DE TRANSFERT DE LA CAUSE

(20) Si le tribunal transfère la cause à une autre municipalité, le greffier transfère, sur demande, le dossier au greffier du greffe de cette municipalité et le dossier y est utilisé comme si la cause y avait été introduite.

DOSSIER POUR L'HOMOLOGATION D'UNE ORDONNANCE ALIMENTAIRE

(21) Lorsqu'une ordonnance alimentaire conditionnelle ou une modification conditionnelle à apporter à une ordonnance alimentaire est soumise à un tribunal de l'Ontario aux fins d'homologation :

- a) si l'ordonnance conditionnelle a été rendue ou la modification apportée en Ontario, le greffier envoie le dossier continu au greffe où l'homologation doit se faire et l'intimé le met à jour comme l'exige la présente règle;
- b) si l'ordonnance conditionnelle n'a pas été rendue ni la modification apportée en Ontario, le greffier établit le dossier continu et l'intimé le met à jour comme l'exige la présente règle.

DISPOSITION TRANSITOIRE : CAUSES DEVANT LA COUR SUPÉRIEURE DE JUSTICE

(22) La présente règle s'applique aux causes introduites devant la Cour supérieure de justice avant le 1^{er} juillet 2004, de la façon suivante :

1. Toute partie peut à quelque moment que ce soit établir, signifier et déposer le dossier continu comme l'indique la présente règle. Celle-ci s'applique alors à tous les documents déposés par la suite.
2. Si aucune des parties n'a déposé le dossier continu conformément à la disposition 1, la partie qui dépose la première un document le 1^{er} juillet 2004 ou par la suite ouvre le dossier continu comme l'indique la présente règle. Celle-ci s'applique alors à tous les documents déposés par la suite.
3. Malgré la disposition 2, le tribunal peut dispenser une partie de l'obligation d'ouvrir le dossier continu, et donner d'autres directives concernant la forme et le contenu du dossier de la cause.
4. Le dossier continu est ouvert avec les documents qui ont servi à l'introduction de la cause et à la défense à celle-ci, un résumé des causes (formule 8E) et les états financiers les plus récents des parties, sauf ordonnance contraire du tribunal.

DISPOSITION TRANSITOIRE : CAUSES DEVANT LA COUR DE LA FAMILLE DE LA COUR SUPÉRIEURE DE JUSTICE OU DEVANT LA COUR DE JUSTICE DE L'ONTARIO

(23) Malgré la présente règle, les causes introduites devant la Cour de la famille de la Cour supérieure de justice ou devant la Cour de justice de l'Ontario avant le 1^{er} juillet 2004 continuent, à partir de cette date, d'être régies par la règle que remplace la présente règle, telle qu'elle existait le 30 juin 2004, sauf qu'une partie peut demander que le dossier continu soit séparé aux termes de la disposition 1 du paragraphe (7), auquel cas la présente règle s'applique aux documents déposés par la suite.

5. Le paragraphe 13 (7) du Règlement est abrogé et remplacé par ce qui suit :

AVIS DE COTISATION REQUIS

(7) Le greffier ne peut accepter le dépôt de l'état financier d'une partie sans que, selon le cas :

- a) des copies des avis de cotisation de la partie relatifs aux trois années d'imposition précédentes soient jointes comme l'exige la formule;
- b) l'état financier comprenne une directive de la partie signée à l'intention de l'Agence des douanes et du revenu du Canada (formule 13A) aux fins de divulgation des imprimés des revenus et déductions de la partie.

Made: April 14, 2004
Filed: April 15, 2004

**CONTENT OF CONSERVATION AUTHORITY REGULATIONS UNDER SUBSECTION 28 (1)
OF THE ACT: DEVELOPMENT, INTERFERENCE WITH WETLANDS AND ALTERATIONS TO
SHORELINES AND WATERCOURSES**

Purpose

1. The purpose of this Regulation is to establish, in accordance with subsection 28 (6) of the Act, the requirements for content that a regulation made by an authority under subsection 28 (1) of the Act must meet.

Definition

2. In this Regulation,

“regulation” means a regulation made by an authority under subsection 28 (1) of the Act.

Prohibition of development in certain areas

3. Subject to section 4, a regulation shall prohibit development in or on,

- (a) hazardous lands;
- (b) wetlands;

(c) areas that are adjacent or close to the shoreline of the Great Lakes-St. Lawrence River System or to inland lakes that may be affected by flooding, erosion or dynamic beach hazards, including the area from the furthest offshore extent of the authority's boundary to the furthest landward extent of the aggregate of the following distances:

- (i) the 100 year flood level, plus an allowance in metres, determined by the authority, for wave uprush and, if necessary, an allowance in metres, determined by the authority, for other water-related hazards, including ship-generated waves, ice piling and ice jamming,
- (ii) the predicted long term stable slope projected from the existing stable toe of the slope or from the predicted location of the toe of the slope as that location may have shifted as a result of shoreline erosion over a 100-year period,
- (iii) where a dynamic beach is associated with the waterfront lands, an allowance in metres inland, determined by the authority, to accommodate dynamic beach movement, and

- (iv) an allowance in metres inland, determined by the authority, not to exceed 15 metres;
- (d) river or stream valleys that have depressional features associated with a river or stream, whether or not they contain a watercourse, the limits of which are determined in accordance with the following rules:
 - (i) where the river or stream valley is apparent and has stable slopes, the valley extends from the stable top of bank, plus an allowance in metres, not to exceed 15 metres, determined by the authority, to a similar point on the opposite side,
 - (ii) where the river or stream valley is apparent and has unstable slopes, the valley extends from the predicted long term stable slope projected from the existing stable toe of the slope or, if the toe of the slope is unstable, from the predicted location of the toe of the slope as a result of stream erosion over a projected 100-year period, plus an allowance in metres, not to exceed 15 metres, determined by the authority, to a similar point on the opposite side,
 - (iii) where the river or stream valley is not apparent, the valley extends the greater of,
 - A. the distance from a point outside the edge of the maximum extent of the flood plain under the applicable regulatory flood plain event standard, plus an allowance in metres, not to exceed 15 metres, determined by the authority, to a similar point on the opposite side, and
 - B. the distance from the predicted meander belt of a watercourse, expanded as required to convey the flood flows under the applicable regulatory flood plain event standard, plus an allowance not to exceed 15 metres minimum distance, determined by the authority, to a similar point on the opposite side.

Permission to develop despite prohibition

4. (1) A regulation shall provide that the authority may grant permission for development in or on the areas referred to in section 3, or in other areas where the Minister is of the opinion that the authority's permission for development should be required, if, in the authority's opinion, the control of flooding, erosion, dynamic beaches, pollution or the conservation of land will not be affected by the development.

(2) A regulation shall require that a permission granted by the authority be with or without conditions and that the permission be in writing.

(3) A regulation may specify in a Schedule to the regulation areas that the authority considers may be developed without permission being granted under this section because, in the authority's opinion, the control of flooding, erosion, dynamic beaches, pollution or the conservation of land will not be affected by the development, and the Schedule to that regulation may specify the type and extent of such development.

(4) A regulation shall describe geographically or by reference to maps filed at the head office of the authority,

- (a) areas that constitute hazardous land, wetlands, areas that are adjacent or close to the shoreline of the Great Lakes-St. Lawrence River System or to inland lakes, river and stream valleys and other areas where, in the Minister's opinion, development should be prohibited, regulated or require the permission of the authority;
- (b) areas that are susceptible to flooding in relation to one of the following flood event standards, described in the Schedule, whichever is applicable:
 1. The Hurricane Hazel Flood Event Standard.
 2. The 100 Year Flood Event Standard.
 3. The Timmins Flood Event Standard.
 4. The Historic Flood Event Standard of the authority.
 5. The 100 year flood level and the flood allowance for wave uprush and other water-related hazards.

Prohibition on certain activities without permission

5. Subject to section 6, a regulation shall prohibit straightening, changing, diverting or interfering in any way with the existing channel of a river, creek, stream or watercourse, or for changing or interfering in any way with a wetland.

Permission for certain non-development activities

6. (1) A regulation shall provide that the authority may grant permission for straightening, changing, diverting or interfering with the existing channel of a river, creek, stream or watercourse, or for changing or interfering with a wetland.

(2) A regulation shall require that a permission granted by the authority be granted with or without conditions and that it be in writing.

Application for permission

7. A regulation shall specify,

- (a) what information a person is required to provide to the authority in an application for permission under subsection 4 (1) or 6 (1); and
- (b) that the maximum period of validity of a permission is 24 months, describe the circumstances in which the validity of a permission may be extended beyond the period stated in the permission, specify the maximum period of validity of such an extension and set out the procedures for obtaining an extension.

Hearing before cancellation

8. (1) If, as referred to in subsection 28 (3) of the Act, a regulation provides for a permission to be granted subject to conditions and for the cancellation of a permission where the conditions have not been met, it shall specify that the authority shall give a notice of intent to the holder of the permission indicating that the permission will be cancelled unless the holder shows cause at a hearing as to why the permission should not be cancelled.

(2) The regulation shall specify that, following the giving of the notice of intent, the authority shall give at least five days notice to the holder of the permission of the date of the hearing.

Amending Reg. 833 of R.R.O. 1990
(Control of Exposure to Biological or Chemical Agents)

Note: Regulation 833 has previously been amended. Those amendments are listed in the Table of Regulations – Legislative History Overview which can be found at www.e-laws.gov.on.ca.

1. Section 4 of Regulation 833 of the Revised Regulations of Ontario, 1990 is revoked and the following substituted:

4. Without limiting the generality of section 3, but subject to section 9, every employer shall take the measures prescribed in section 3 to limit the exposure of workers to a biological or chemical agent listed in Part 4 or 11 of the Schedule, in accordance with all of the following rules:

1. If Part 4 or 11 sets out a time-weighted average exposure value (TWAEV) for the agent, exposure shall not exceed that value.
2. If Part 4 or 11 sets out a short-term exposure value (STEV) for the agent, exposure shall not exceed that value.
3. If Part 4 or 11 sets out a ceiling exposure value (CEV) for the agent, exposure shall not exceed that value.
4. If Part 4 or 11 sets out a TWAEV for the agent but neither a STEV nor a CEV, exposure shall not exceed the values calculated under Part 2B of the Schedule.

2. (1) The Schedule to the Regulation is amended by striking out “Agents have been assigned to tables given in Parts 4 through 11 of the Schedule and reference should be made to the Index for the Part in which an agent appears” in the first paragraph under the heading “EXPOSURE VALUES FOR BIOLOGICAL AND CHEMICAL AGENTS IN WORKPLACES” and substituting “Agents have been assigned to tables given in Parts 4, 9, 10 and 11 of the Schedule”.

(2) The Schedule to the Regulation is amended by striking out “Reference should be made to the Index for the cross-referencing of common names in IUPAC names” in the second paragraph under the heading “EXPOSURE VALUES FOR BIOLOGICAL AND CHEMICAL AGENTS IN WORKPLACES”.

3. Part 2B of the Schedule to the Regulation is revoked and the following substituted:

PART 2B

EXCURSION LIMITS WHERE NEITHER A SHORT-TERM EXPOSURE VALUE (STEV) NOR A CEILING EXPOSURE VALUE (CEV) IS INDICATED

1. Where a TWAEV but neither a STEV nor a CEV is set out for a biological or chemical agent listed in Part 4 or 11 of this Schedule, a worker shall not be exposed to a concentration of the biological or chemical agent that exceeds,
 - (a) three times the TWAEV set out in this Schedule with respect to that agent for any period of 30 minutes; and
 - (b) five times the TWAEV set out in this Schedule with respect to that agent for any period of time.

4. Part 3 of the Schedule to the Regulation is revoked and the following substituted:

PART 3

EXPLANATORY NOTES ON CHEMICAL NAMES, CAS REG. NOS., AND OTHER NOTATIONS

Parts 4, 9, 10 and 11 of this Schedule deal with biological and chemical agents and contain names of the agents, Chemical Abstracts Service Registry Numbers, and some notations.

Chemical Names

The chemical names used in this Schedule conform with nomenclature rules of the International Union of Pure and Applied Chemistry or with common usage.

Numerals and prefixes (e.g.: o-, p-, n-, O-, N-, sec-, tert-) are disregarded when listing the main entries in alphabetical order, but are used to assign the order when main entry names are identical. For example, “N-methylaniline” is listed under “m”, and “sec-butyl acetate” precedes “tert-butyl acetate”.

Chemical Abstracts Service Registry Number

The Chemical Abstracts Service Registry Number (CAS Reg. No.) is a unique numerical identifier assigned to a chemical substance in the CAS registry system by the Chemical Abstracts Service (P.O. Box 3012, Columbus, Ohio, 43210). The CAS Reg. No. itself has no chemical or structural significance; it is merely a computer-verifiable number assigned in sequential order to each agent as it is entered in the CAS registry system. Some of the CAS Reg. Nos. listed in this guide were assigned by the CAS under contract for the United States Environmental Protection Agency (U.S. EPA). CAS Reg. Nos. have been used as chemical or biological identifiers in inventories and computer literature-retrieval systems.

The CAS Reg. No. has the format (xxxxxx-xx-x) and consists of up to 9 digits, separated by hyphens into 3 groups: (a) the first group has up to 6 digits; (b) the second always contains 2 digits; and (c) the third contains 1 digit.

Notations

The notation "inhalable" following the name of an agent in this Schedule means that size fraction of the airborne particulate deposited anywhere in the respiratory tract and collected during air sampling with a particle size-selective device that,

- (a) meets the American Conference of Governmental Industrial Hygienists (ACGIH) particle size-selective criteria; and
- (b) has the cut point of 100 microns at 50 per cent collective efficiency.

The notation "respirable" following the name of an agent in this Schedule means that size fraction of the airborne particulate deposited in the gas-exchange region of the respiratory tract and collected during air sampling with a particle size-selective device that,

- (a) meets the American Conference of Governmental Industrial Hygienists (ACGIH) particle size-selective criteria; and
- (b) has the cut point of 4 microns at 50 per cent collective efficiency.

The notation "skin" following the name of an agent in this Schedule indicates that direct or airborne contact with the agents may result in significant absorption of the agent through the skin, mucous membranes or eyes. Vehicles, such as certain solvents, may enhance the rate of skin absorption. Inclusion of this notation is intended to suggest that preventative action should be taken against absorption of the agent through the skin, mucous membranes or eyes.

(As...) — In the lists of biological and chemical agents, the notation "(as...)", e.g.: "nickel carbonyl (as nickel)", is used to indicate that the agent is to be analyzed for the substance indicated in parentheses, nickel in this example, rather than nickel carbonyl.

5. (1) Part 4 of the Schedule to the Regulation is revoked and the following substituted:**PART 4****TIME-WEIGHTED AVERAGE EXPOSURE VALUES (TWA EV), SHORT-TERM EXPOSURE VALUES (STEV) AND CEILING EXPOSURE VALUES (CEV)**

TAX RATES FOR BUSINESS PROPERTIES AFTER 2000

(1) This section applies with respect to business property, within the meaning of section 257.5 of the Act, other than land described in paragraphs 1 and 2 of subsection 315 (1) of the *Municipal Act, 2001*, as long as the business property is within a municipality or deemed by a regulation made under section 56 or subsection 58.1 (2) of the Act to be attached to a municipality.

(1.1) In this section,

"commercial classes" means the commercial property class prescribed under the *Assessment Act* and optional property classes that contain property that, if the council of the municipality did not opt to have the optional property class apply, would be in the commercial property class;

"industrial classes" means the industrial property class prescribed under the *Assessment Act* and optional property classes that contain property that, if the council of the municipality did not opt to have the optional property class apply, would be in the industrial property class;

"optional property class" means a property class that the council of a municipality opts to have apply in the municipality under regulations made under the *Assessment Act*.

(2) Subsection 9 (6) of the Regulation is revoked.

(3) Section 9 of the Regulation is amended by adding the following subsections:

(8) For 2004, the annual tax rates for school purposes for the purposes of section 257.7 of the Act for a municipality set out in Table 15 are the following rates for the following classes of property:

1. For the commercial classes, the annual tax rate is the rate in the column entitled "Commercial Property Class" in the Table set out opposite the name of the municipality.
2. For the industrial classes, the annual tax rate is the rate in the column entitled "Industrial Property Class" in the Table set out opposite the name of the municipality.

(9) If there are two or more property classes in the commercial classes, the tax rate for school purposes for business properties in a property class in the commercial classes is determined by multiplying the 2004 tax ratio established for the property class under section 308, 309 or 310 of the *Municipal Act, 2001* by the weighted tax rate for the commercial classes determined as follows:

1. Determine the total revenue from the commercial classes by multiplying the applicable tax rate determined under subsection (8) by the sum of the assessments for all properties in the commercial classes other than,
 - i. properties defined in section 306 of the *Municipal Act, 2001* for which payments in lieu of taxes are made, and
 - ii. properties in the subclasses prescribed under paragraph 1 of subsection 8 (1) of the *Assessment Act*.
2. Determine the weighted assessment for each property class in the commercial classes by,
 - i. multiplying the assessment for each property in the property class by the 2004 tax ratio applicable to that property class, and
 - ii. finding the sum of all amounts each of which is an amount determined under subparagraph i in respect of properties in the property class.
3. Determine the weighted assessment for the commercial classes by finding the sum of the weighted assessments of the property classes in the commercial classes.
4. Determine the weighted tax rate for the commercial classes by dividing the total revenue for the commercial classes determined under paragraph 1 by the weighted assessment for the commercial classes determined under paragraph 3.

(10) If there are two or more property classes in the industrial classes, the tax rate for school purposes for business properties in a property class in the industrial classes is determined by multiplying the 2004 tax ratio established for the property class under section 308, 309 or 310 of the *Municipal Act, 2001* by the weighted tax rate for the industrial classes determined as follows:

1. Determine the total revenue from the industrial classes by multiplying the applicable tax rate determined under subsection (8) by the sum of the assessments for all properties in the industrial classes other than,
 - i. properties defined in section 306 of the *Municipal Act, 2001* for which payments in lieu of taxes are made, and
 - ii. properties in the subclasses prescribed under paragraph 1 of subsection 8 (1) of the *Assessment Act*.
2. Determine the weighted assessment for each property class in the industrial classes by,
 - i. multiplying the assessment for each property in the property class by the 2004 tax ratio applicable to that property class, and
 - ii. finding the sum of all amounts each of which is an amount determined under subparagraph i in respect of properties in the property class.
3. Determine the weighted assessment for the industrial classes by finding the sum of the weighted assessments of the property classes in the industrial classes.
4. Determine the weighted tax rate for the industrial classes by dividing the total revenue for the industrial classes determined under paragraph 1 by weighted assessment for the industrial classes determined under paragraph 3.

(11) For greater certainty in the application of subparagraph 2 i of subsection (9), if a municipality has passed a by-law opting to have the parking lot and vacant land class apply in the municipality, the assessment of a property that is vacant land, as defined in the regulations made under the *Assessment Act*, that would otherwise be included in a property class in the commercial classes is multiplied by the tax ratio for the parking lot and vacant land class and not by the tax ratio for the property class in which the property would otherwise have been included.

(12) For the purposes of subsections (9) and (10), the assessment of a property is the amount according to the assessment roll, as adjusted in accordance with subsections 311 (5) and 312 (5) of the *Municipal Act, 2001*, less the same percentage of the assessment as the percentage reduction, if any, under section 313 of that Act in the tax rate applicable to the property for the year.

5. The Regulation is amended by adding the following section:

13. Subsections 314 (4) and (6) of the *Municipal Act, 2001* and the regulations made under clauses 314 (5) (b) and (c) of that Act apply, with necessary modifications, with respect to the tax rates set out in Table 15.

6. The Regulation is amended by adding the following Tables:
